

Volunteer Opportunities: The Sight Word Busters are coming to a school near you!

Do you enjoy working with children? Would you like to help boost the reading and learning skills of local students? If so, you may want to become a Sight Word Buster. The Sight Word Buster Program is made up of volunteers that spend, on average, one hour a week working with students in local primary classrooms. At the kinder level volunteers help students learn letter names, sounds and the first sight words. In the 1st and 2nd grades the volunteers help students master a list of 300+ high frequency sight words and reinforce other reading skills being taught at these grade levels. No prior knowledge or training is needed by the volunteers.

The Sight Word Buster Training Sessions will take place in August for the 2014-15 school year. The program is simple, structured, and fun. Our volunteers love working with the students and the students love working with the adults. Teachers also love having the extra tutoring assistance in the classroom. It is truly a win/win/win situation.

If you are interested in attending the training, please contact Linda at (530) 887-8335 or email her at SightWordBusters@gmail.com.

Friday, August 29	First Street Elementary	3:30 – 5:00pm
